

## Körnerpick EMH Chicken-Mash

### Complementary Feed

### Complementary feed for poultry

Our EMH Chicken-Mash is an innovative, GM-free supplementary feed, which is guaranteed to be readily accepted by your chickens due to its high quality. This also makes it ideal for poor eaters. Fed soaked, this extremely tasty mash is enjoyed by chickens and adds variety to the feeding trough. It is also easily digestible thanks to the addition of our Eggersmann Mikro-Herbs, a plant extract fermented by microorganisms. The wild, medicinal and aromatic herbs in EMH support your chickens' immune system, which will help to keep them in better overall health. Our EMH Chicken-Mash is also suitable for feeding geese and ducks.

### Barošanas rekomendācija:

#### Feeding recommendation:

Per 10 chicken take ca. 150g EMH Chicken-Mash and soak it in warm water for 10 minutes. Mix it well and feed it not too hot to your chicken. You can serve it purely or combine it with some grain feed.
